Karen J. Kaseno, CPA/ABV/CFF, CFE, CVA, CFFA, Nationally Known Instructor and The Kaseno CPA Firm, APC presents the following series of webinars designed for the Younger Family Law Attorney:

- WEBINAR 1: March 13 at 2 pm or March 15 at 12 noon**
Understanding the Business Valuation Report- A step by step analysis of the business valuation report-how to understand what it is telling you. What are the key factors that you can argue to change the valuation?
- WEBINAR 2: March 20 at 2 pm or March 22 at 12 noon**
Understanding Financial Statements and Tax Returns-a detailed overview of what income statements, balance sheets and tax returns tell you about an individual's income. What information can a tax return tell you about the assets and debts of the parties? A basic understanding of these documents is crucial for the family law practitioner.
- WEBINAR 3: March 27 at 2 pm or March 29 at 12 noon**
What is Considered in Income Available for Support- what you need to look for to determine a parties income available for support. Reading the experts reports on income. What documents do you need to request and what are common adjustments?
- WEBINAR 4: April 3 at 2 pm or April 5 at 12 noon**
Effective Use of the Financial Expert- When do you need a financial expert? Should you use a joint or your own expert? What financial issues do you need to know about? Getting the most for your money with your expert!

Each webinar qualifies for one hour of MCLE credit

Each webinar is \$30 a session. When you attend all four webinars it is \$100. Sign up today to reserve your spot in this years MCLE Webinars for the Younger Family Law Attorney
